Adjournment

The meeting was adjourned at 7.32 p.m.

Cllr Brazier, the Kent County Councillor reported that the traffic survey that he had commissioned in response to the Parish Council's request for a pedestrian crossing to be installed on Ash Road to the north of the junction with Parkfield was due to commence on 10th January 2017. Cllr Brazier confirmed that the pedestrian survey would take place on 11th January 2017 and that it would take approximately one month for the results to be obtained.

Cllr Abraham reported that the District Council was currently carrying out a review of the Local Plan and that the Call for Sites were due to be considered by the various Committees in the middle and at the end of January. Cllr Abraham advised that following this, there would be a public consultation.

Cllr Kelly reported that he was still pursuing the issue of dangerous parking at the junction of Wellfield and Ash Road and that he supported the move to install double yellow lines.

The owner of the dental practice expressed concern over the impact that the installation of double yellow lines would have on his clients parking.

Dr Roberts suggested the introduction of parking restrictions as an alternative to double yellow lines.

Cllr Kelly confirmed that this could be a possibility, but that in any case any solution put forward by the District Council would be subject to public consultation.

Cllr Kelly agreed to make the District Council aware of the concerns of the owner of the dental practice.

The meeting resumed at 7.45 p.m.
